- (d) The Department is not required to create records that do not exist or to compile, maintain, format, or organize a record in a manner in which the Department does not currently do so (65 P.S. § 67.705).
- (e) When a record contains material with release restrictions and material that is not subject to release restrictions, the restricted material shall be redacted and the unrestricted material released (65 P.S. § 67.706).
 - 1. A copy of the redacted release should be maintained in the case file for proof of what was actually released and as a place to document the reasons for the redactions. If the record is audio or video, a copy of the redacted audio/video release should be maintained in the department-approved media storage system and a notation should be made in the case file to document the release and the reasons for the redacted portions.
- (f) A record provided to a requester shall be provided in the medium requested if it exists in that medium; otherwise, it shall be provided in the medium in which it exists (65 P.S. § 67.701).
- (g) Records may be made available through any publicly accessible electronic means. If the requester is unwilling or unable to access the record electronically, the requester may, within 30 days following receipt of the department notification, request to have the record converted to paper. The Department shall provide access in printed form within five days of the receipt of the written request for conversion to paper (65 P.S. § 67.704).
- (h) Upon request from the requester, a certified copy of the record may be provided with payment of the applicable fees (65 P.S. § 67.904).

- (j) The Open-Records Officer shall maintain an electronic or paper copy of the written request, including all documents submitted with the request, until the request has been fulfilled. If the request is denied, the request shall be maintained for 30 days or if an appeal is filed, until a final determination is issued or the appeal is deemed denied (65 P.S. § 67.502).
- (k) If the Department response to a requester states that copies of the requested records are available at the Department and the requester fails to retrieve the records within 60 days of the response, the Department may dispose of any copies that have not been retrieved and retain any fees paid to date (65 P.S. § 67.905).
