(f) A Board of Appeals shall only consider the following factors when deciding an appeal under section 501(c)(2) of the act:

- (1) The true intent of the act or Uniform Construction Code was incorrectly interpreted.
  - (2) The provisions of the act do not apply.
  - (3) An equivalent form of construction is to be used.
- (g) A Board of Appeals may consider the following factors when ruling upon a request for extension of time or the request for variance:
- (1) The reasonableness of the Uniform Construction Code's application in a particular case.
  - (2) The extent to which the granting of a variance or an extension of time will pose a violation of the Uniform Construction Code or an unsafe condition.
  - (3) The availability of professional or technical personnel needed to come into compliance.
  - (4) The availability of materials and equipment needed to come into compliance.
  - (5) The efforts being made to come into compliance as quickly as possible.
  - (6) Compensatory features that will provide an equivalent degree of protection to the Uniform Construction Code.
- (h) If the owner or owner's agent requests a hearing, the Board of Appeals shall schedule a hearing and notify the owner or owner's agent and Building Code Official of the date, time and place of the hearing.
- (i) The Board of Appeals may:
- (1) Deny the request in whole or in part.
  - (2) Grant the request in whole or in part.
  - (3) Grant the request upon certain conditions being satisfied.
- (j) The Board of Appeals shall provide a written notice of its decision to the owner/appellant and to the Building Code Official. A Board of Appeals shall render a written decision regarding an appeal or request for variance or extension of time involving the construction of a one- or two-family residential building within 5 business days of the latest hearing. The appeal shall be deemed granted if a Board of Appeals fails to act within this time period.
- (k) An owner/applicant shall file an appeal, request for variances and request for extension of time relating to accessibility with the Accessibility Advisory Board under § 403.142 of the PA Code (relating to Accessibility Advisory Board).

17. Fees: The fee for an appeal to the Board of Appeals for administering and enforcing this act shall not exceed actual costs of the public notice of the hearing, appearance fee for the stenographer and administrative fees as necessary.

18. Interpretation of Uniform Construction Code: In interpreting a provision of a code adopted by regulation of the department as part of the Uniform Construction Code, the Building Code Official, Board of Appeals and/or the Court shall consider and may rely upon relevant written interpretations of the ICC or any organization whose referenced standard is relevant and listed in the Uniform Construction Code, or the regulations promulgated under this act or any municipal construction code ordinance.
