September 14, 2024

Dear Hopewell Area School District Families and Community,

I hope this message finds you well. As the Hopewell Area SD continues to discuss the consolidation and reorganization of schools, I want to keep you informed of important dates as the School Board is preparing to formally vote on a district-wide school facility option at the October 22nd School Board meeting. School options will also be reviewed on October 8th.

To view final school options, please go to the district's www.hopewellarea.org website and select the "2024 Facility Master Planning Process" menu link. Scroll to the bottom of that page to view final options and recommendations presented at the June 11, 2024 School Board meeting.

Upcoming Dates and Actions:

The public **School Board Meeting on October 8, 2024, 7PM in the Hopewell Senior High School Auditorium**. Dan Engen and Jackie Cowan from DRAW Collective will review school consolidation and facility options as well as recommendations once again. These options were presented at the public meeting on June 11, 2024.

The public **School Board Meeting on October 22, 2024, 7PM in the Hopewell Senior High School Auditorium**. HASD School Board will formally vote to select a district-wide school consolidation and planning option. Identifying a school option will then allow administrators to create a plan with a longitudinal timeline to accomplish the selected Board option.

Thank you for your continued support as important decisions are being made to support Hopewell Area SD families and students for years to come.

Sincerely,

Dr. Jeff Beltz
Superintendent
Hopewell Area School District
