

# VALLEY

WASTE SERVICE, INC.

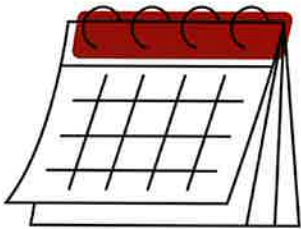

## Collection Schedule

Due to unsafe snow and ice conditions, collection routes were not able to run on Monday, January 26th. As a result, all collections will be 1 day later this week. Depending on the progress of road maintenance crews on your street, further delays may occur. To help our drivers provide your service, please try to clear a path to and around your cans as much as possible.

If your trash is already out for collection or has not yet been picked up after the expected delayed date, please leave it in place. This helps ensure all items are collected if further delays occur.

### Schedule Adjustment

Normal Collection	This Week's Collection
Monday	Tuesday
Tuesday	Wednesday
Wednesday	Thursday
Thursday	Friday
Friday	Saturday

## Service Alerts

Please remember to sign up for service alerts if you haven't done so already. These alerts are the best way to stay up to date with the latest information about your garbage collection, including schedule changes, delays, or special notices. Signing up ensures you get timely updates and helps avoid missed pickups or confusion.
